To Katherine, Jamey, and Tami:

President Standifer, Harriet and I just spoke on the phone regarding the August 11th meeting.

The decision has been made to invite Heather Kendall - Miller with the Native American Rights Fund to be at the Government to Government meeting on August 11th. As noted in the conference call Heather will be advising the NVT - IRA Council throughout the permitting process.

It would be ideal if this meeting can still occur on August 11th, despite the above decision. The next available time will be in early October.

Best wishes

Rob

Greetings Everyone!

I'm writing to confirm that Jamey Stoddard (EPA's Chuitna Project Manager), Tami Fordham (EPA's Alaska Tribal Resource Extraction Policy Advisor), and myself (EPA's Tribal Coordinator for Southcentral Alaska and Tribal Specialist for the Office of Ecosystems, Tribal, and Public Affairs) are all available for a short teleconference next Tuesday July 26 at 12:00 noon Alaska time.

The purpose of the call is to discuss goals and expectations for government-to-government consultation between EPA and the Native Village of Tyonek on the proposed Chuitna Coal Project.

Another thing we need to do, that should help streamline the process, is to establish who will serve as primary points for EPA and the Native Village of Tyonek in future planning for this consultation.

Tuesday July 26, 12:00- 12:30 AK
